

Therapy Services

Our licensed physical, occupational, and speech therapists help restore mobility, function, and communication. Each tailored plan maximizes independence and includes caregiver training and community resource connection.

Medical Social Services

Recognizing the emotional and social impact of illness, our social workers offer counseling, advocacy, and resource coordination—helping families navigate care with confidence.

Certified Home Health Aides

With professional oversight, our compassionate aides provide support in:

- Personal care & hygiene
- Ambulation & gentle exercise
- Meal preparation & daily living tasks

Who Pays for Care?

- **Medicare:** Eligible services billed directly to the program.
- **Private Pay:** Transparent billing; you pay only for care received, while Care Plus covers staff taxes and insurance.
